

Telugu Words, Letter by Letter

అక్షరానికి పదాలు

Free sample pages from our workbook *Telugu Words, Letter by Letter*

1. Read each word aloud with your child. The romanised spelling and English meaning sit beside it.
2. Find the letter in the word and point to it, then trace the word and write it on the empty line.
3. These pages are picked from across the book (అ, ఘు, ఈ), so they don't run in full alphabetical order. The full workbook has every letter and word in alphabetical order, except that అమ్మ always comes first.
4. Hear Telugu words spoken aloud, free, at telugu.earth.
